## ABOUT

Welcome to downtown Green Bay! A growing, vibrant community with arts, entertainment, shopping, dining, service businesses, outdoor activities, and more, Green Bay is more than a location—it's a destination!

**Downtown Green Bay** is comprised of **three unique districts**: the Broadway District, Downtown District, and Olde Main Street District. Thanks to the leadership of these three non-profits, downtown represents some of Green Bay's most exciting redevelopment efforts. They truly put the shop eat play in Downtown Green Bay.

**Broadway District:**  
Boutique district with an eclectic variety of shops, salons, spas, and restaurants offering one-of-a-kind products, services and experiences.

**Downtown District:**  
A teeming government and office center by day; exciting nightlife from casual bars to energetic dance clubs by night—and great restaurants all the time!

**Olde Main Street District:**  
You never know what you'll find in the Olde Main Street District, from great dining and themed bars, to art and antique shopping, the district is full of fun surprises.
