CP Dream Mural Unveiling in Broadway District

GREEN BAY, WI – CP is unveiling a new mural in the Broadway District Friday, July 26, 2019 at 1 p.m. The unveiling will take place at 128 N Broadway on the side of the ZuLou building. CP is funding the mural to bring awareness to their new No Limits logo and the mission behind CP.

The mural will include “DREAM” and the CP No Limits logo. Local artist Beau Thomas began working on the mural on Tuesday, July 23. Leading up to the Mural Unveiling, the No Limits team hosted a client-based art show at Kavarna Coffee House on Broadway in Green Bay.

Public art is an important piece of economic vitality for the Broadway District. Art beautifies the area and increases foot traffic which leads to a thriving downtown. On Broadway is excited to have this meaningful mural displayed in the Broadway District.

CP’s mission is to celebrate all abilities and unlock potential. The organization strives to be leaders in helping people live the lives they want to live, through progressive, measurable, and sustainable solutions.

“On Broadway is grateful that CP chose to install their mural in the Broadway District,” said Sam Maass, On Broadway Program Manager. “We are working towards increasing public art in the district, and partnerships with organizations like CP are an important piece to making that happen.”

“We [No Limits Team] are happy to utilize the unique spaces of the Broadway District. Not only is it accessible to clients but also inviting and welcoming to our entire team. We are honored to have been able to be a part of the district this year and look forward to continued involvement in the district,” said Maddy Szymanski, CP Philanthropy Advisor.
